FOREWORD

Assalamualaikum wbt and Good Day,

Praise to Allah S.W.T that we are blessed to have been able to organize UniKL Student Sport Carnival (USSC) 2022 for 16th edition. UniKL has always believed in holistic education -balancing academics and non-academic activities, as both activities provide opportunities for all of us to be better team players. My hope is that this sports carnival shall uplift the sportsmanship and camaraderie among athletes and everyone involved.

Allow me to take this opportunity to congratulate all students who are the chosen ones to represent your contingents. It is said that people with healthy bodies tend to also be sound mentally and are therefore happier.

I would also like to thank the faculties, staffs and students for their enthusiasm, hard work and preparation for USSC 2022. We appreciate your continued efforts.

Since this USSC involves training and interaction, in outside or inside the classroom, it highly supports GHOCs involvement and implication. This really molds the students into UniKL DNA which promotes ones to become altruistic leaders, highly competent persons and lifelong learners.

Sport has the power to change the ones' character. It has the power to inspire, the power to unite people that little else has. When you become part of a team you begin to feel the spirit of togetherness to strive for success. And success determines by your effort, not solely on your winning.

May this carnival be a platform for you to have fun while contending against your rivals (in sports). May you cherish the excitement this carnival gives you and keep the memories forever.

Enjoy the games and play well, then you will be the real winners.

Sekian, terima kasih dan selamat bersukan
